**Genesis 3: 8-10**

**God's Question: "Where are you?"**

**Romans 1:18-19**

**3 Observations:**

- 1. It is an unusual question.**
- 2. It is a kind question.**
- 3. It is a personal question.**

**It's an unusual question.**

**We are the ones who are hiding from God, and God is the one who comes asking of us the question, 'Where are you?'**

**When God asks questions in the Bible, it's usually in order to provide information to those he is addressing.**

**It's a kind question.**

**God does not give to men and women what they justly deserve but, on the basis of his immense kindness, grants to men and women what we don't deserve. That's what the Bible calls grace.**

**It's a personal question.**

**Genesis 3:12**

**Romans 8:7-8**

**God is a God who chooses to REVEAL Himself, and God is a God who is very interested in establishing a RELATIONSHIP with you!**
