## NHCC C.A.R.E. Team

This team exists to provide care for our congregation who are experiencing illness and all types of loss or need. Service opportunities and time commitments are as unique as the individual. *“Serve one another in love.”* Galatians 5:13

The C.A.R.E. Team reaches out and cares for NHCC’s congregation. They care for the sick, hurting, and those lapsed in attendance, contacting people through notes, phone calls and visits. They pray for the congregation and for all prayer requests.

This is a group of people who choose to reach out and help others. We look for ways that we can bring God's love into our church community by sharing our time and our gifts. We need people who love to bake, prepare meals, make visits to our members, serve meals to provide love and community after the loss of a loved one, visit families with new babies, provide communion to those who are homebound, and pray for one another. We need people who can provide transportation, visit nursing homes, and provide spiritual support. These are just a few of the ways that we care for each other.

### Join the C.A.R.E. Team!
